

YOLANDA EVERT, individually and as the
Qualified Wrongful Death Representative
of Erwin Evert, deceased,

Plaintiff,

V.

THE UNITED STATES OF AMERICA,

Defendant.

No. 11CV00339-F

The United States Attorney for the District of Wyoming and Assistant United States Attorney, C. Levi Martin, submits this unopposed motion for an extension of time (until October 31, 2012) for the United States to designate its experts. The grounds for this motion are as follows:

1. In this Court's initial pretrial order, plaintiff's designation of experts deadline was set for August 6, 2012, and the United States' expert designation was set for September 5, 2012. *See* Dkt. #21 at 4.

2. The United States intends to take plaintiff's experts' designations before providing the United States' counter designation. Due to various scheduling conflicts, plaintiff's experts cannot be deposed until early-mid October.

3. Accordingly, the United States seeks, and the plaintiff does not oppose, an extension of the United States' expert designation deadline to October 31, 2012.

4. The extension of this deadline does not interfere with this Court's other deadlines.

For the foregoing reasons, the United States respectfully requests this Court grant it an extension of the United States' expert designation deadline to October 31, 2012.

DATED this 28th day of August, 2012.

United States Attorney
